Sarah Knight

Sarah.Knight10@knights.ucf.edu • (555) 555-5555
261 Challenger Cir. Kissimmee, FL 34746

Objective:

Obtain an Electrical Engineering internship involving hardware, software, research, and development.

Education:

Bachelors of Science Degree in Electrical Engineering – GPA: 3.215
University of Central Florida - Orlando, FL - Anticipated Graduation: May 2019

Concentration: Circuits Building & Analysis, Coding, Hardware, Software

Course Work: Power Systems; transmitting and transforming energy
Circuits and their applications and design
Assembly programing language & C programing language
Semiconductors and their properties

Associate of Science Degree in General Studies – GPA: 3.45
Valencia College - Orlando, FL - Graduation: December 2016

Skills:

Hardware:
Desktop computer upgrading motherboard, RAM, processor, and hard-drive.

Software:
Microsoft Word, Excel, PowerPoint, Notepad, PDF Adobe, Mat Lab, PowerWorld, AutoCAD, Code Composer, Multisim v12.0 (Circuit building & Analysis)

Activities:

Secretary, Institute of Electrical & Electronics Engineers at UCF Aug. 2016 – Present

- Participated in a Robotics STEM Project for Middle School Students
- Member, Power Society Team

Projects:

Electronics Repair: Faulty Electronics and upgrading components. Replacing faulty GPU, capacitors, resistors, including upgrading components for computers, PlayStation 3/4, Xbox 360. Extensive experience fixing computer monitors and laptop batteries.

Experience:

CVS Pharmacy - Kissimmee, FL Pharmacy Technician Aug. 2013 – Present

- Assisting the Pharmacist by inputting prescriptions in the private Operating Software
- Counting, dispensing & quality control for patient medication
