

Student's name:

Student's UCF PID:

Student's former institution of higher education:

Course prefix, number, and title of service-learning course from former institution of higher education:

Year course completed:

Instructor's name of service-learning course from former institution of higher education:

\*\*

Students seeking to transfer three (3) credit hours from a former institution of higher education toward the Service-Learning Certificate at UCF, please respond to one question in each section (Academic, Civic, and Personal) using 250 words or less for each question.

Academic:

- Were you able to apply a skill learned in an academic setting? If so, how?
- How did the experience enhance your knowledge of a specific subject?
- What disparity is there between your personal views/assumptions about the experience and the ideas put forth by the experts in the field?

Civic:

- Which ethical dimensions (rights, duties/obligations, justice, integrity, personal responsibility, equality, and freedom) emerged in this experience?
- How did leadership emerge in your experience, on your part and/or the part of others?

Personal:

- What personal strengths and weaknesses did the experience reveal?
- Were any perceptions changed throughout the experience?
